

SCOUT

-We Find. You Decide.

After understanding your sourcing needs through PEFA Sourcingpad, it's time to explore real alternatives. With PEFA Scout, we align, screen, and evaluate potential suppliers based on your exact specifications, requirements, and expectations. Once we've identified qualified options, we introduce them, and you take over from there. Negotiation, decision-making, and onboarding remain fully in your hands.

1 SUPPLIER PROSPECTING

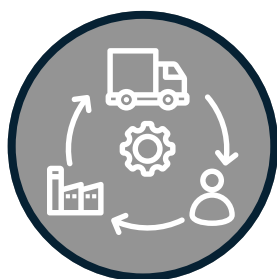

2 QUALIFICATION & EVALUATION

3 HANDOVER TO CUSTOMER

SUPPLIER IDENTIFICATION

We actively approach suppliers within your category, components, materials, manufacturing or engineering.

REQUIREMENTS MATCHING

We evaluate technical fit, capacity, quality standards, certifications, and pricing compatibility.

HANDOVER TO CUSTOMER

We present shortlisted suppliers and make introductions, leaving all final negotiations and decisions to you.
